

# E-Project Report

## SMART TRAVEL GUIDE

Enhancing Education Through Technology

# **Defined Problem Statement**

- Find Current Location
- Locate in Map
- Calculate Distance between two Cities
- Video Search
- Weather Forecast
- Information upon the tourist spot.

## **Current Statement**

I am thrilled to announce the successful completion of my e-project, as we have effectively resolved all problem statements. Through meticulous analysis, innovative thinking, and collaborative teamwork, we have overcome each obstacle encountered along the way. From addressing initial issues to tackling subsequent challenges, our dedicated efforts and implementation of specific solutions have led to the desired outcomes, ensuring a successful conclusion to the project.

- ✓ Find Current Location
- ✓ Locate in Map
- ✓ Calculate Distance between two Cities
- ✓ Video Search
- ✓ Weather Forecast
- ✓ Information upon the tourist spot.

## **Summary**

**This E-project has been completed with 100% success, resolving all problem statements.**

## **Fully Completed By**

STUDENT NAME : SHOUA UL QAMMAR

STUDENT ID : STUDENT 1279769

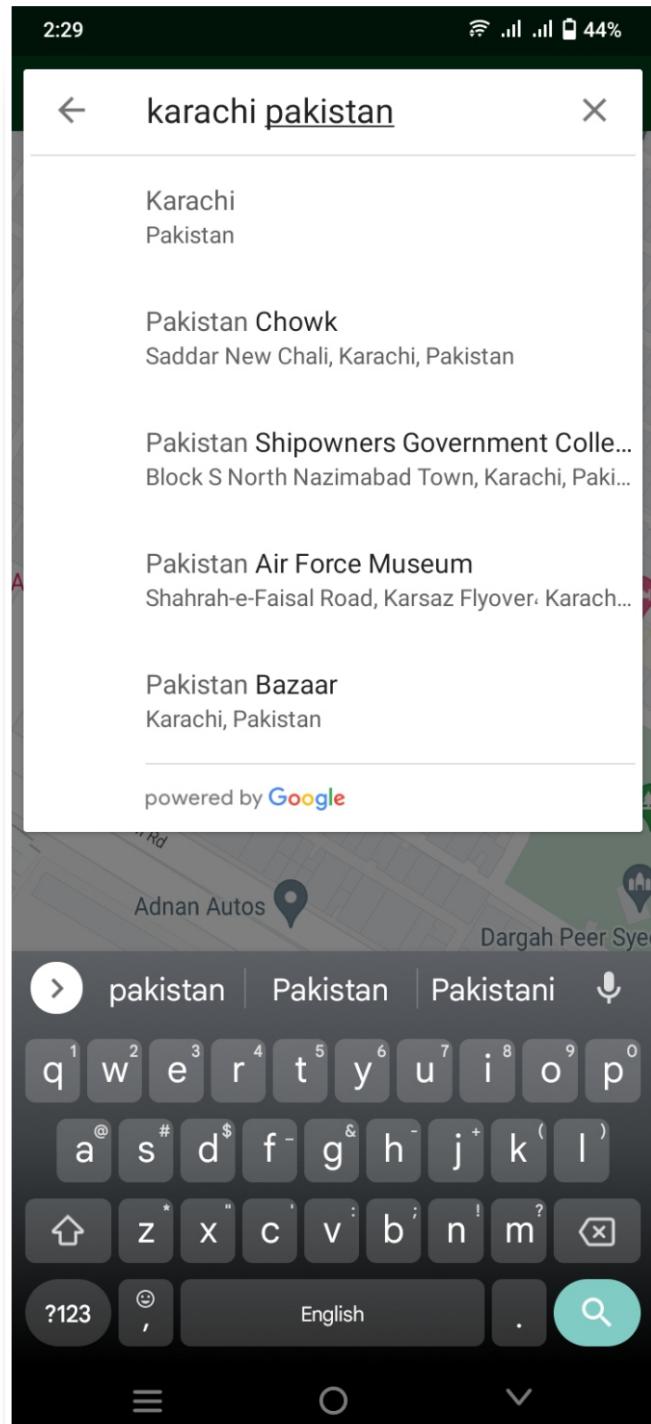

BATCH CODE : 2009F

FACULTY NAME : SAMEER AHMED
